

Proposed plan - not to scale

- 1 - declutter
- 2 - group staghorns to left far corner for greenery impact and reduction of summer heat absorbed to wall
- 3 - Mexican artefact wall decor in stone colour to tie up with concrete barbecue bench top
- 4 - tidy up zen garden bed with a maximum of 3 different types of ground cover
- 5 - proposed vertical garden to create a cool courtyard to insulate other areas of the building, and for a visual feast - list of appropriate plants are listed in moodboard
- 6 - water fountain can be repositioned to outdoor side garden for a better feng shui as indicated by a feng-shui practitioner - this will bring harmony to family living aspect
