

## Restyling a South East Asia courtyard garden

Location – South East Asia South Vietnam

Client brief – Professional input, to enhance a three storeys building for marketing purpose *[request a visualized drawing not plan]*

What is done – Project planning to de-clutter and style – Keep existed tropical plants, and ferns, with introduction of Thailand orchids, and large, dwarf green foliage, ceramic plant pots to soften the building and courtyard fabrication

Result – Raise the value of the property by 15% - 20%

## ***Styling and Spatial design planning a South East Asia courtyard restaurant***

Location – South East Asia

Brief – exclusive design concept to a feature wall with integrated Asian art and Moorish blue

Areas – feature wall of an alfresco of a hotel restaurant courtyard

Result – graphic boldness to celebrate the richness of Asian culture through its traditional cuisine
